Happy New Year

Happy New Year SFNA Members!

We, as your Board, are looking forward to another great year in our lovely neighborhood, hopefully topping the success of 2010. We have many things planned throughout this year, starting with First Annual Sledding Day at Schiller Park, a Springtime Mixer, Mall Day, 2nd Annual Block Party in July and as always, Halloween Fun for the kids in late October and Luminaries on Christmas Eve. Please feel free to stay in touch with us at info@sedgwickfarm.org with anything that's on your minds. In addition, please come to our first general membership meeting of the year, to be held on February 15 at the Palace Theater. We look forward to seeing all of you throughout 2011!!

Neighborly Cocktails & Conversation

As you may know, the SFNA had hoped to host a Wintry Mixer at the Century Club last month. Regretfully we had to cancel but hope to host other social events to bring neighbors together. One idea we had was to host mixers at various SFNA member homes. We hope to host our first mixer at the home of MaryLou and John Thomasmeyer in the Spring. More details will be sent to members as the planning progresses.

SAVE THE DATES FOR 2011

In order to make Mall Day, the Block Party and the Childrens' Halloween Party the huge success they were last year, we hope you will save the dates to attend them again this year!

Mall Day: Saturday, May 21st (raindate May 22nd)

Block Party: Saturday, July 9th (raindate July 10th)

Children's Halloween Party: Sunday, October 30th

Sledding & Snowflakes at Schiller

Please join us on **Sunday February 27, 2011 from 2-4pm at Schiller Park** for *Sledding & Snowflakes*, a winter gathering for our members and their families. Activities include sledding, snowman building, and good ole frosty fun. Hot cocoa, coffee and sweets will be served in the Bova Center at Schiller Park. If you are interested please email RSVP to the SFNA info@sedgwickfarm.org by Thursday, February 24. There is no cost for members to attend this event. Please bring a sled or toboggan and warm clothes! *Hope to see you there!*

If you know of a neighbor who would like to be added to the Sedgwick Farm Neighborhood Association email list or would like to join the Association please forward their information to info@sedgwickfarm.org. Thank you!

Dear friends of Sedgwick Farm,

As a continued effort to beautify our wonderful neighborhood, the board would like to bring a few issues to everyone's attention. We live in one of the most beautiful neighborhoods in all of Syracuse and Central New York. We take pride in Sedgwick and it is our responsibility to keep it beautiful. That being said, we would like to address some potential concerns.

- Many of us get out to walk our dogs and during the cold winter months, snow often can build up. This can make things difficult at times due to unshoveled sidewalks. Please take the time to clear a path so that we all can enjoy ourselves without walking in the streets which is dangerous for walkers and drivers. In addition, please carry a plastic bag with you to clean up after your pet.
- In Sedgwick, trash pick up is on Tuesday mornings. Please put your trash out no earlier than the night before and take the empty trashcans back after pickup that same day.
- Although parking your car is legal, it can be unsightly at times. In addition, it makes it very difficult for the city snowplows to do their job. We ask that you please park your cars in your driveways whenever possible.
- Please be courteous and keep noise levels down after 9pm.

A warm smile or friendly waive can make all the difference in keeping good relationships with all of our neighbors.

Thank you for understanding.
